

Storytellers

Welcome

The *Storytellers Showcase* returns for yet another highly-anticipated season. From 1 September 2006, you can look forward to delightful and inspiring stories told by our well-known Singaporean and international storytellers.

In the intimate setting of the Ngee Ann Auditorium at Asian Civilisations Museum, you will see every nuance and hear every inflection of the storytellers as they cast their spells on you. Whatever the type of story – participatory, folktale or fable, personal experience – they will give you a gift of timeless stories to take away and treasure.

Be part of this unique experience – and enjoy!

Gracina Chiang, Festival Manager
Singapore International Storytelling Festival (SISF)
